

committed to quality & progress

At Forest Park National Bank, we are committed to providing the highest quality banking services available anywhere. We want to make sure you are aware of these services and take advantage of their convenience. Here are four such examples:

PERSONAL ONLINE BANKING: View your account balances, transfer funds, and pay bills 24/7. To sign up, please go to our website at www.forestparkbank.com and click on Personal Online Banking Demo to see how it works. For additional information, call one of our personal bankers.

BUSINESS ONLINE BANKING: Like Personal Online Banking, you may view your business account balances, transfer funds, and pay bills anytime, day or night. A full range of reporting and transferring services, ACH payments, ACH collections, Wire Transfers, and ACH File Uploads are also available. Check out our www.forestparkbank.com and click on Business Online Banking Demo, or call a business banker to learn more.

DESKTOP DEPOSIT SERVICES: Using a special scanner connected to your computer, you can scan the checks you receive in your business, and electronically send the values of those checks to Forest Park National Bank 24/7.

E-STATEMENTS: Available on checking accounts, this service is also good for our environment. The E-statement includes images (front and back) of checks you've written that have cleared at our Bank. An email will alert you of a new statement's arrival.

MOBILE BANKING: This service allows you to make online banking transactions from your hand-held communications device. Check balances, transfer funds and pay bills with any cell phone that can access the Internet

We remain focused on delivering products and services in a personal and professional manner, looking ahead to new technology opportunities. It is our privilege to be your bank, and we greatly appreciate your business.
